Solving inequalities worksheet with answers tes

FreeFreeReport is a source of problem designed for UK teachers. view us version . This is a sheet of inequality with answers. Students are given a short help section before they are asked to describe the inequalities they see in a number line as well as lottery inequalities. The worksheet is different and ideal for either class work or homework. Read moreFreeReport a problem A sheet of progressive inequalities that covers: . Listing values to satisfy inequality . Showing inequalities in number lines . Solving inequalities with the unknown on one side (including negativity) . Solving inequalities with unknowns on both sides . Two-man inequalities ended . Showing a scenario with inequality and solving Feedback appreciation ContinueFreeReport a problem Ideal for GCSE revision, this is one of a series of work sheets containing exam-type questions that gradually increase in difficulty. These check sheets are excellent for class use or as a homework. They are also great for one-on-one tuition fees and for interventions. For similar style revision sheets in other topics (all with reply), click [tes.com/..more...](https://www.tes.com/) If you like this resource, then please rate it and/or leave a comment. If the Resource Rate button on this page doesn't work, then go to your ranking page by clicking here [->tes.com/..rate-resources...](https://www.tes.com/..rate-resources...) -- This sheet is great for students who are rethinking inequalities. Questions include slightly simpler inequalities. Read moreFreeReport a problem FreeFreeReport is a source of problem designed for UK teachers. view us version .
